

# EURASIAN JOURNAL OF PULMONOLOGY

EURASIAN J PULMONOL

Volume 26 Issue 2 May-August 2024

## Review

Antineutrophil cytoplasmic antibody-associated vasculitides:  
Clinical manifestations and pulmonary involvement

## Original Articles

Molecular epidemiology of tuberculosis cases admitted to Ege  
University Medical Faculty Hospital

Feasibility and predictive power of scoring systems in evaluating  
patients with pneumonia

The spectrum of sleep-related breathing disorders in idiopathic  
pulmonary fibrosis

Retrospective analysis of patients hospitalized with acute exacerbation  
of idiopathic pulmonary fibrosis

Evaluation of COVID-19 patients receiving long-term oxygen support  
in the post-COVID period

### Editor-in-Chief

## General Information

### The journal

Eurasian Journal of Pulmonology (EJOP) (E-ISSN: 2148-5402) is a publication of Turkish Respiratory Society. The Journal is published in April, August and December. The target audience of EJP are chest diseases specialists and residents as well as all other physicians studying in the area of respiratory diseases.

### Scope of journal

Eurasian Journal of Pulmonology (EJP) provides a platform for clinical and experimental research in all areas of respiratory medicine including chronic airway diseases, allergy, respiratory infections, lung cancer, pleural diseases, pulmonary vascular diseases, respiratory failure, sleep related disorders, interstitial lung diseases, and occupational pulmonary diseases. The journal also incorporates studies related to respiratory physiology, inhalation therapies, pulmonary rehabilitation, lung transplantation, tobacco control policies, interventional pulmonology, thoracic imaging, and thoracic surgery. The journal publishes original research, review articles, statements, consensus reports, case studies, editorials and letter to the editors.

### Abstracting and indexing information

The journal is registered with the following abstracting partners: Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, Netherlands ISSN center, ProQuest, TdNet, Turkey Citation Index, Wanfang Data

The journal is indexed with, or included in, the following:

DOAJ, Emerging Sources Citation Index, Web of Science, Gale Cengage, Research4life, OUCI, SCILIT, Information Matrix for the Analysis of Journals (MIAR), and Asian Science Citation Index.

### Information for Authors

There are no page charges for EJOP submissions. Please check <https://eurasianjpulmonol.com/ethics-and-policies>

All manuscripts must be submitted online at <https://ejp.manuscript-manager.net/>

### Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special positions are available. Inquiries about advertising should be sent to Kare Medya İletişim Hizmetleri Tic. Ltd. Şti., [kare@karepb.com](mailto:kare@karepb.com).

The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

### Copyright

The entire contents of the Eurasian Journal of Pulmonology are protected under international copyrights. The Journal, however, grants to all users a free, irrevocable, worldwide, perpetual right of access to, and a license to copy, use, distribute, perform and display the work publicly and to make and distribute derivative works in any digital medium for any reasonable non-commercial purpose, subject to proper attribution of authorship and ownership of the rights. The journal also grants the right to make small numbers of printed copies for their personal non-commercial use under Creative Commons Attribution-Noncommercial-Share Alike 4.0 International Public License.

### Permissions

Authors publishing with the journal retain the copyright to their work licensed under the Creative Commons Attribution-NonCommercial 4.0 International license (CC BY-NC 4.0) and grant the Publisher non-exclusive commercial right to publish the work. CC BY-NC 4.0 license permits unrestricted, non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.

### Disclaimer

The information and opinions presented in the Journal reflect the views of the authors and not of the Journal or its Editorial Board or the Publisher. Publication does not constitute endorsement by the journal. Neither the Eurasian Journal of Pulmonology nor its publishers nor anyone else involved in creating, producing or delivering the Eurasian Journal of Pulmonology or the materials contained therein, assumes any liability or responsibility for the accuracy, completeness, or usefulness of any information provided in the Eurasian Journal of Pulmonology, nor shall they be liable for any direct, indirect, incidental, special, consequential or punitive damages arising out of the use of the Eurasian Journal of Pulmonology. ## CONTENTS

### Review Article

- Antineutrophil cytoplasmic antibody-associated vasculitides: Clinical manifestations and pulmonary involvement**  
Parlak EŞ, Şengül A, İn E .....73

### Original Articles

- Molecular epidemiology of tuberculosis cases admitted to Ege University Medical Faculty Hospital**  
Taşkıran İ, Çavuşoğlu C, Özhan MH..... 84

- Feasibility and predictive power of scoring systems in evaluating patients with pneumonia**  
Hancı P, Uysal A, İnal V ..... 94

- The spectrum of sleep-related breathing disorders in idiopathic pulmonary fibrosis**  
Vayisoğlu Şahin G, Yalnız Ö, Polat G, Yalnız E, Demirci Üçsular F, Uçar ZZ..... 102

- Retrospective analysis of patients hospitalized with acute exacerbation of idiopathic pulmonary fibrosis**  
Erten HÇ, Gülşen EE, Fidan A, Ay Talan E, Şen AC, Kırıl N, Şener Cömert S..... 112

- Evaluation of COVID-19 patients receiving long-term oxygen support in the post-COVID period**  
Turan MO, Bozkuş F, Batum Ö, Alkan A, Akın Kabalak P, Alkılınç E, Söyler Y, Altıntop Geçkil A, Çapraz A, Arslan S, Turan PA, Şengül A, Baykal H, Aydemir Y, Yazıcı O, Yıldız Gülhan P, Taş Gülen Ş, Çeldir Emre J, Mirici A..... 120

- The role of one-minute sit-to-stand test in monitoring patients with COVID-19 pneumonia**  
Koç Ç, Sökücü SN, Satıcı C, Aktı S.....128

### Case Reports

- A case of allergic bronchopulmonary aspergillosis in a patient with a history of pulmonary tuberculosis and chronic obstructive pulmonary disease (COPD)**  
Telli O, Çelik Tuğlu H, Yağdıran M, Akkale Ö, Dindar Çelik F, Aksu K.....136

- A rare cause of interstitial lung disease: Niemann-Pick**  
Erinç A, Fener N, Koşar F ..... 140

- Propolis: Is it harmless to the extent that it is natural?**  
Çelik Tuğlu H, Dindar Çelik F, Yağdıran M, Telli O, Akkale Ö, Aksu K.....144
