

# EURASIAN JOURNAL OF PULMONOLOGY

EURASIAN J PULMONOL

Volume 26 Issue 3 September-December 2024

## Review

The new threat in electronic waste: Environmental burden of electronic cigarettes

## Original Articles

Is lung cancer mortality associated with the socioeconomic development of countries?

Comprehensive analysis of clinical, radiological, pathological findings, and survival outcomes in non-smoker non-small cell lung cancer patients

Clinical characteristics and diagnostic challenges of patients with pulmonary actinomyces: A 10-year experience at a tertiary referral hospital

The impact of *Candida* isolation in sputum cultures on the clinical, radiological, and laboratory findings of pneumonia

The impact of non-invasive vagus nerve stimulation on recovery following aerobic exercise in individuals with post-COVID syndrome: A randomized controlled clinical trial

## General Information

### The journal

Eurasian Journal of Pulmonology (EJOP) (E-ISSN: 2148-5402) is a publication of Turkish Respiratory Society. The Journal is published in April, August and December. The target audience of EJP are chest diseases specialists and residents as well as all other physicians studying in the area of respiratory diseases.

### Scope of journal

Eurasian Journal of Pulmonology (EJP) provides a platform for clinical and experimental research in all areas of respiratory medicine including chronic airway diseases, allergy, respiratory infections, lung cancer, pleural diseases, pulmonary vascular diseases, respiratory failure, sleep related disorders, interstitial lung diseases, and occupational pulmonary diseases. The journal also incorporates studies related to respiratory physiology, inhalation therapies, pulmonary rehabilitation, lung transplantation, tobacco control policies, interventional pulmonology, thoracic imaging, and thoracic surgery. The journal publishes original research, review articles, statements, consensus reports, case studies, editorials and letter to the editors.

### Abstracting and indexing information

The journal is registered with the following abstracting partners: Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, Netherlands ISSN center, ProQuest, TdNet, Turkey Citation Index, Wanfang Data

The journal is indexed with, or included in, the following:

DOAJ, Emerging Sources Citation Index, Web of Science, Gale Cengage, Research4life, OUCI, SCILIT, Information Matrix for the Analysis of Journals (MIAR), and Asian Science Citation Index.

### Information for Authors

There are no page charges for EJOP submissions. Please check <https://www.eurasianjpulmonol.com/contributors.asp>

All manuscripts must be submitted online at <https://www.eurasianjpulmonol.com/submitarticle.asp>.

### Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special positions are available. Inquiries about advertising should be sent to Kare Medya İletişim Hizmetleri Tic. Ltd. Şti., [kare@karepb.com](mailto:kare@karepb.com).

The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

### Copyright

The entire contents of the Eurasian Journal of Pulmonology are protected under international copyrights. The Journal, however,

grants to all users a free, irrevocable, worldwide, perpetual right of access to, and a license to copy, use, distribute, perform and display the work publicly and to make and distribute derivative works in any digital medium for any reasonable non-commercial purpose, subject to proper attribution of authorship and ownership of the rights. The journal also grants the right to make small numbers of printed copies for their personal non-commercial use under Creative Commons Attribution-Noncommercial-Share Alike 4.0 International Public License.

### Permissions

Authors publishing with the journal retain the copyright to their work licensed under the Creative Commons Attribution-NonCommercial 4.0 International license (CC BY-NC 4.0) and grant the Publisher non-exclusive commercial right to publish the work. CC BY-NC 4.0 license permits unrestricted, non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.

### Disclaimer

The information and opinions presented in the Journal reflect the views of the authors and not of the Journal or its Editorial Board or the Publisher.
