

EURASIAN JOURNAL OF PULMONOLOGY

EURASIAN J PULMONOL

Volume 27 Issue 1 January-April 2025

Review

Immunotherapy-related pneumonitis

Original Articles

The effect of blood parameters on the frequency of thromboembolic events in COVID-19 patients

The role of fiberoptic and rigid bronchoscopy in the diagnosis of malignant central airway pathologies

Non-invasive Ventilation Outcome (NIVO) score for predicting in-hospital and late mortality of chronic obstructive pulmonary disease (COPD) patients with acute hypercapnia

Impact of the Glasgow prognostic score on prognosis in patients with community-acquired pneumonia

Elevated neutrophil-to-lymphocyte ratio is associated with poor outcomes in patients with chronic thromboembolic pulmonary hypertension

General Information

The journal

Eurasian Journal of Pulmonology (EJOP) (E-ISSN: 2148-5402) is a publication of Turkish Respiratory Society. The Journal is published in April, August and December. The target audience of EJP are chest diseases specialists and residents as well as all other physicians studying in the area of respiratory diseases.

Scope of journal

Eurasian Journal of Pulmonology (EJP) provides a platform for clinical and experimental research in all areas of respiratory medicine including chronic airway diseases, allergy, respiratory infections, lung cancer, pleural diseases, pulmonary vascular diseases, respiratory failure, sleep related disorders, interstitial lung diseases, and occupational pulmonary diseases. The journal also incorporates studies related to respiratory physiology, inhalation therapies, pulmonary rehabilitation, lung transplantation, tobacco control policies, interventional pulmonology, thoracic imaging, and thoracic surgery. The journal publishes original research, review articles, statements, consensus reports, case studies, editorials and letter to the editors.

Abstracting and indexing information

The journal is registered with the following abstracting partners: Baidu Scholar, CNKI (China National Knowledge Infrastructure), EBSCO Publishing's Electronic Databases, Ex Libris – Primo Central, Google Scholar, Hinari, Infotrieve, ProQuest, TdNet, Turkey Citation Index, Wanfang Data, Centre for Agriculture and Bioscience International (CABI); Sudoc; OpenAlex; EZB Electronic Journals Library.

The journal is indexed with, or included in, the following:

DOAJ, Emerging Sources Citation Index, Web of Science, Gale Cengage, Research4life, OUCI, SCILIT, Information Matrix for the Analysis of Journals (MIAR), and Asian Science Citation Index.

Information for Authors

There are no page charges for EJOP submissions. Please check <https://www.eurasianj pulmonol.com/contributors.asp>

All manuscripts must be submitted online at <https://www.eurasianj pulmonol.com/submitarticle.asp>.

Advertising policies

The journal accepts display and classified advertising. Frequency discounts and special positions are available. Inquiries about advertising should be sent to Kare Medya İletişim Hizmetleri Tic. Ltd. Şti., kare@karepb.com.

The journal reserves the right to reject any advertisement considered unsuitable according to the set policies of the journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

Copyright

The entire contents of the Eurasian Journal of Pulmonology are protected under international copyrights. The Journal, however,

grants to all users a free, irrevocable, worldwide, perpetual right of access to, and a license to copy, use, distribute, perform and display the work publicly and to make and distribute derivative works in any digital medium for any reasonable non-commercial purpose, subject to proper attribution of authorship and ownership of the rights. The journal also grants the right to make small numbers of printed copies for their personal non-commercial use under Creative Commons Attribution-Noncommercial-Share Alike 4.0 International Public License.

Permissions

Authors publishing with the journal retain the copyright to their work licensed under the Creative Commons Attribution-NonCommercial 4.0 International license (CC BY-NC 4.0) and grant the Publisher non-exclusive commercial right to publish the work. CC BY-NC 4.0 license permits unrestricted, non-commercial use, distribution, and reproduction in any medium, provided the original work is properly cited.
